Country Living Close to Town

This beautiful 4000sqm block with stunning views offers a peaceful country environment on the doorstep to town. This property has been thoughtfully established to provide privacy and take advantage of the views and the block.

The post was home has been renovated to provide an entertaining and quirky environment, as can be seen in the split level main bathroom, there are 4 generous sized bedrooms, two of those having ensuite bathrooms. There is a large front deck to the home with the Lounge room and kitchen opening to this space which is useful for family entertaining and taking advantage of the views. There is also a smaller deck off the dining area that is perfect for sundowners or more intimate gatherings.

Although accessible from the main floor the laundry is under the home and leads to an outdoor utility area under the rear deck, and a parking area for vehicles, there is also a large guest parking area in front of the home for guests. Access to the property from the road is by electric gate and the drive leads to a two bay shed with additional workshop end shed. The block is fully fenced with mature vegetation and gardens.
