comfortable throughout the year, while the easy flow between rooms makes everyday living simple and enjoyable.

Modern, functional, and full of character, the kitchen features gas cooking, stainless steel appliances, and plenty of storage and bench space. It's the perfect place to whip up family meals while still being part of the conversation. Large windows frame leafy garden views, allowing more light to filter through and creating a bright, cheerful ambience.

Just off the kitchen, the second living area provides even more room for everyone to spread out. It's ideal for movie nights, family gatherings, or quiet mornings with a cup of coffee. From here, sliding doors open onto a spacious covered patio that overlooks the backyard. Where else would be better to spend your weekends? Enjoy summer barbecues and unwinding by the pool as the kids splash and play.

Outdoors, the large backyard is fully fenced, offering a secure space for children and pets to explore. The sparkling in-ground saltwater pool is sure to be a family favourite, while the garden shed and water tank add extra convenience for everyday living.

Back inside, the main home features three well-sized bedrooms, each with built-in wardrobes while the master bedroom enjoys air conditioning for year-round comfort. The bathroom, in original condition, provides an opportunity to renovate and create your ideal retreat. A separate toilet adds convenience, and a generous internal laundry with plenty of room for storage.

At the rear of the property, a private one-bedroom granny flat provides endless possibilities. It's perfect for extended family, guests, or as a home office or potential rental. The flat includes a bathroom and ample storage, offering a quiet and comfortable retreat that remains connected to the main home.
