

48 Channel Street, Russell Island

Modern North End Living

Positioned on the highly sought-after north end of Russell Island and set on a sealed road with curb and channel, this beautifully presented 3-bedroom, 2-bathroom home with a double garage offers modern comfort and quality design throughout.

Approximately two years young, the home has recently been refreshed by the builder with tasteful renovations and repainting, giving it a fresh, near-new feel.

Inside, you'll find a thoughtfully designed open-plan living and dining area that flows seamlessly to a smartly designed patio — perfect for relaxing or entertaining. The galley-style kitchen features stylish stone benchtops and quality finishes, making it both practical and elegant.

The spacious master bedroom includes a full ensuite and walk-in robe, while the second and third bedrooms are well-sized and fitted with built-in robes.

A double garage provides ample storage space, and the fully fenced yard (6-foot fencing to both sides and rear) offers privacy and security. The home also features a durable Colorbond roof, attractive part-brick facade, and clad exterior walls for a modern finish.
