

Russell Island

2  1  1 

Turn Key Home Town Location

Now available to secure, this quality 2-bedroom, 1-bathroom home and land package offers the perfect opportunity to lock in your future home or investment. Construction is set to commence soon, with completion expected in late January 2026.

Built for comfort and durability, this home will feature slab-on-ground construction, steel framing, and a Colorbond roof. The open plan layout flows seamlessly through the main living and dining areas—complete with air-conditioning for year-round comfort.

Highlights include:

Designer Polytec kitchen with stone benchtops

Massive main bathroom with double sinks, floor-to-ceiling tiles, and sleek black shower screens

Vinyl flooring throughout with carpeted bedrooms

Built-in robes to bedrooms

Fully landscaped yard including fencing, turf, and concrete driveway
