

## Sadadeen, 1/4 Cycad Place

### Townhouse Living

A terrific unit for a buyer looking to enter the housing market for the first time!

Positioned at the top of the court, with a neat complex entry including a brand new security fencing and a front electric gate. This end unit is set back from the others in the block but with convenient carport access right at the front door (great for grocery shopping).

The living areas and both bedrooms are carpeted while the kitchen and wet areas are tiled. A clay brick feature wall in the designated dining area adds to the character while the generous sized kitchen comes with overhead cupboards, dishwasher and open breakfast bar to the living room.

The laundry and second toilet are conveniently positioned off the kitchen with easy access to the outdoor clothes drying area.
