Bring Your Toolbox And Finish The Vision

A true renovator's delight, this character-filled home offers the perfect opportunity to step in and finish what has already been thoughtfully started. With much of the hard work complete, including new windows and blinds, a new kitchen and multiple split-system air conditioners, this is an ideal project for a tradie or anyone keen to roll up their sleeves and reap the rewards.

The home is rich in charm, beginning with the sunny front verandah showcasing original fretwork - an inviting spot to enjoy a morning coffee. Inside, the living, dining and kitchen area features high ceilings and detailed cornices. The new polyurethane kitchen is nearly complete and offers a solid timber benchtop, upgraded electric stove and a bi-fold servery window that is perfectly positioned for a future deck or outdoor entertaining space.

Accommodation includes a generous main bedroom with floor-to-ceiling built-in robes, a second bedroom also with built-in storage, and an original bathroom with a separate toilet. Side access leads to a huge 9 x 7 metre shed with two high roller doors, ideal for storing vehicles, toys or creating the ultimate workshop, plus additional off-street parking.
