

Sanctuary Point, 6 Heron Avenue

Up in the Fresh Air

Nestled on a quiet street in Sanctuary Point, this two-bedroom home has much to offer for first-time buyers or investors. The living space is all on an upper floor level offering fresh air and natural light throughout. Featuring a comfortable open kitchen, dining and living space, and just down the hallway two good size, carpeted bedrooms. Being elevated this property captures glimpses of St Georges Basin.

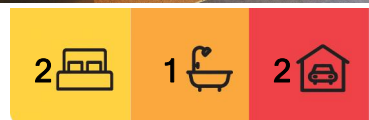

The laundry is situated at ground level and is surrounded by extensive under cover space and lends itself to future development. (stca)

One of the key features of the property is the large double garage behind the home, providing ample storage for vehicles, kayaks, hobbies... the list goes on. The home sits in the middle of a fully fenced 563sqm block.

What a great starting point in the market and a fantastic opportunity for the savvy investor.
