

16 Redbank Drive, Scone

## ELEVATED FAMILY LIVING WITH SWEEPING VALLEY VIEWS

OPEN HOME CANCELLED

Positioned in the highly sought-after Redbank Drive location, this expansive split-level residence delivers an exceptional blend of space, functionality, and lifestyle appeal. Thoughtfully designed to accommodate growing families and those who love to entertain, the home offers multiple living zones, impressive outdoor spaces, and quality inclusions throughout.

From the moment you step inside, the generous proportions and flexible layout become immediately apparent. Timber flooring flows through the main living areas, seamlessly connecting formal and informal spaces that cater effortlessly to both relaxed family living and special occasions.

At the heart of the home, a well-appointed kitchen features a 900mm oven with gas cooktop, perfectly suited to everyday cooking or entertaining a crowd. The kitchen overlooks the main living area and extends effortlessly to a stunning outdoor entertaining deck, capturing sweeping views across Scone and the surrounding valley. An unforgettable setting for gatherings or peaceful evenings alike.

Accommodation is generous, with five well-proportioned bedrooms providing comfort for the whole family. The master suite offers a private retreat, complete with its own ensuite and walk-in wardrobe.

Downstairs, a separate rumpus room alongside the fifth bedroom creates the ideal teenagers' retreat, guest quarters, or private workspace, adding another layer of versatility to the home. Further enhancing the home's flexibility is the enclosed alfresco area, perfect as a home gym, sunroom, or additional entertaining zone.

Outdoors, the lifestyle offering continues with beautifully landscaped grounds that make full use of the elevated position. Sandstone retaining walls and established plantings create distinct outdoor zones, leading to an inviting inground swimming pool and terraced firepit area which is a standout entertaining space designed for year-round enjoyment.

Storage is well catered for with extensive under-house storage and workshop space, along with rear yard vehicle access. Additional features include ducted air conditioning, a ducted vacuum system, and a substantial 10.5kW solar system, enhancing both comfort and energy efficiency.
