

Unit 2/2 Links Court, Shearwater

Modern Coastal Living in Shearwater

Built in 2024, 2/2 Links Court offers something a little different. It has the space, privacy and feel of a house, but sits on a smaller parcel of land that is much easier to look after.

The home has a modern design with plenty of natural light throughout. Large windows surround the open plan living and dining area, creating a bright and spacious room with plenty of flexibility for everyday living. The kitchen sits at the centre of the home and has been designed with both storage and workspace in mind. There is a large island bench, plenty of cabinetry and a clean, simple finish that works well with the timber look flooring.

The main bedroom includes a walk in robe and ensuite, while the remaining bedrooms are also a good size and include built in wardrobes. The main bathroom has floor to ceiling tiling, a separate bath and walk in shower. Reverse cycle heating and cooling keeps the main living area comfortable throughout the year.

Outside, there is enough yard to enjoy without creating a long list of jobs. The level lawn gives you space for a garden, pets or simply somewhere to sit outside. Vehicle access to the backyard is another practical benefit, particularly if you have a trailer or other vehicle you would like to keep off the street. There is also a garden shed for additional storage.
