Modern Comfort in Sheffield's Heart

In the heart of Sheffield, this 2007 built home offers a smart mix of comfort and practicality. With three bedrooms, two bathrooms, a sunroom, and a secure backyard framed by established gardens, it's ready for everyday living.

Natural light fills the living areas, highlighted by bay windows and a welcoming front veranda. Modern conveniences include double glazing, solar panels, solar hot water, reverse cycle heating and a wood heater. The kitchen and dining connect seamlessly to the sunroom, ideal for a coffee or quiet downtime, while the internal access garage keeps life easy.

Sheffield is known for its community spirit, artistic identity, and breathtaking views of Mount Roland and countryside. Schools, shops and services are all close by, making this a home that delivers both lifestyle and convenience.
