A Home Designed for Living & Entertaining

Set on a spacious 585 s.qm* block, this well-designed, 5-year-old home offers plenty of room for the whole family, both inside and out. This home offers two living areas, providing flexibility for both everyday living and entertaining. The grand alfresco is extended across the back of the home, while the sleek kitchen is centrally positioned in view of the open plan living and dining, with large stacker doors providing a nice view to the backyard.

The beautifully manicured yard is worthy of any golf course, while also offering a blank canvas for future landscaping and personal touches. With irrigation systems already installed to both the front and back, maintaining the gardens is effortless year-round.
