

Smithfield Plains, 5 Hooper Road

Looking to invest? Say Less

Set on a beautiful block with an ample 18 metres (approx.) of frontage, this home is primed for those with plans for immediate return and future development (STCC). Built in 1966, the home still has plenty of life left yet, with a simple and flexible construction

Stepping through the front door, you'll soon discover the lounge area, complimented by a evaporative cooling system that flows through the home. Just off to the left is the kitchen and dining area, for those that still enjoy a meal at the kitchen table. The kitchen itself also features a freestanding stove, with gas cooktop for the aspiring chef.

Through the lounge and onto the main hallway sprout the three bedrooms, all generous in proportion, particularly the master. The bath and separate toilet sit closely to the 3 bedrooms, with the laundry also nearby, providing space, flexibility and rear access.

Featured on the right of the home is an undercover carport, coming off of the main
