Sorell - Space, Views and Serious Flexibility on Some 2.3 Acres

Ant's "Fluff-Free" Description...

Some homes give you space.

Some give you views.

And some quietly sit there doing both better than most without needing to shout about it.

155 Rosendale Road, Sorell is one of those.

Set on just over 2.3 acres of usable land, this is where lifestyle meets practicality, with some seriously impressive water and rural views to top it off.

We are talking elevated outlooks across the water, open rural surrounds, and a home that actually feels like it belongs on a property of this size.
