GARAGING GALORE - EVERY MAN'S DREAM!

A natural suntrap on the fringe of Oamaru township, this private, low maintenance, three-bedroom home built in the 1990s has everything you could ask for.

Along with tastefully planted gardens that create a private oasis for your family and pets, summer living and BBQs on the wrap-around patio (spa pool included!), the property has good indoor/outdoor flow.

The master bedroom has an ensuite and walk-in wardrobe, and the family bathroom has bath, shower, and separate toilet. To complete the picture, a large lounge extends from the kitchen/dining room - ideal for family living and entertaining.

This lovely home benefits from gas hot water along with heat pump and pellet fire, ceiling and wall insulation. Separate laundry. The layout and flow ensure a good balance of comfort and functionality.

Last, but certainly not least, is the very spacious four car garage (including toilet), along with off-street parking for 6+ vehicles.

Situated within the Fenwick School zone and near to South Hill amenities, you could be living the dream in this attractive family home in a semi-rural setting.

I'm expecting good interest, so call me today for a private viewing, or pop along to an open home!
