### EASY CARE LIVING WITH YOU IN MIND

This 3 bedroom home on a 403m2 flat section, thoughtfully built in 2017, has a drawing board centred around low maintenance, easy living.

The living area is an open-plan space that combines the kitchen, dining, and lounge area, with indoor-outdoor flow via a sliding door, fostering a sense of connection and spaciousness.

The master bedroom, with an ensuite and built in double wardrobes has its own access to the outdoor area. The additional two double bedrooms have double built-in wardrobes. The jack and jill family bathroom, accessed by the hallway and one of the additional bedrooms, has a shower, vanity & toilet, offering convenience and separation.

The internally accessed double garage houses the laundry and accesses the section via a side door. There is extra off street-parking.
