

64 Perth Street, South Hill

SOUTH HILL - RENOVATED & READY

Everything is in place. Updated inside and out, elevated in style, and positioned close to schools, café, and town. Move in and enjoy what's already been done.

A lovely sunroom entrance welcomes you in, generous hallway leads through to a separate living room, heated by a beautiful original open fire, with timber feature shelving ideal for displaying your prized pieces. The interior is modern, with a natural feel. Comfort is taken care of, with one heat pump in the hallway and another in the kitchen/dining. A security system adds an extra layer of peace of mind.

The kitchen features a large timber benchtop, with great cabinetry, double glazing (in the living & kitchen), plus space for dining or a second living area. Well insulated, and equipped with a cooktop, oven, rangehood, and dishwasher, nothing amiss.

All bedrooms are north facing, bringing in natural light throughout the day. The second bedroom offers a comfortable feel and is a double-sized room, while the master provides generous storage and convenient access to the main bathroom.

The bathroom has been updated, offering a well thought-out space with a shower, toilet, basin, heater, and heated towel rail, supported by gas hot water.

An added secondary toilet and separate laundry, with convenient double access to the backyard. There is plenty of off-street parking right to the front door, along with single garaging with street access. The almost private, flat backyard is framed by hedging and established cacti, adding character.

The hard work is done. All that's left is to step in and enjoy.
