A Family Home Made for Living, Loving & Entertaining

Warm, Welcoming & Ready for Summer

As winter fades and thoughts turn to long summer days, this beautifully loved four-bedroom family home offers the perfect combination of comfort, space and outdoor living.

From the moment you arrive, there's a wonderful sense of warmth - a home that feels like a warm hug and has been lovingly cared for. Inside, you'll find two generous living areas, freshly painted interiors, near-new carpets and modern flooring, creating a fresh yet inviting atmosphere with plenty of room for the whole family to relax and spread out. But it's outside where this home truly comes alive. The impressive undercover timber-decked entertaining area overlooks the sparkling inground swimming pool, creating the perfect setting for summer BBQs, family gatherings or simply relaxing with a cold drink while the kids enjoy the pool.

Adding even more flexibility is a detached single workshop/garage with dual side access, providing plenty of room for a caravan, trailer, boat or all the family's toys.
