

South West Rocks, 17 Baldwin Street

THE BEST OF THE BEST

Just completed and brand new, the modern architecture combined with the high end inclusions create an amazing freestanding residence right in the heart of town.

Master built and beautifully presented the northerly aspect allows the sunlight to dance into the enormous family room and elegant kitchen areas.

The design is split level allowing practicality and privacy from living areas to the sleeping arrangements. The open floor plan flows seamlessly from the kitchen, family, dining and loungerooms to the outside entertaining areas.

The 3 bedrooms are spacious with the 2 bathrooms being all class. Situated in one of the town's most coveted spots the home offers intown living at its best with a double garage, landscaped and fully fenced yard.

Grand enough to be a fulltime residence, great location for your holiday home and a prime spot for future growth.
