

2 Oxley Place, South West Rocks

BUT WAIT THERE IS MORE

It doesn't matter where you look this property just keeps on giving more.

The location is exceptional being in a prime residential area, close to the golf course, beaches, cafes, eateries, boardwalks and town center.

The home is deceptive with the genuine size, practical naturally lit living, lounge and dining areas, being huge 4 bedrooms, 3 bathrooms, and a lovely kitchen. There is a great outdoor entertaining area that is special, a granny flat for extra accommodation and a double garage in the back yard that is accessible from the street.

If you are looking for a lovely home that has been truly loved that has all the facilities for a great lifestyle and the family with toys, this will be hard to go past.
