

58 Arthur Street, South West Rocks

NOT ONE FOR THE FAINT HEARTED

This is an opportunity for someone that is not faint hearted, but is looking for a job, a project, a tradie or simply someone that loves to renovate and reinvent.

The 3 bedroom home has its faults and is definitely in need of some TLC, but the bones are good, the location is great and the block is 706m² with a profile that may allow for a second dwelling.

Being located in a quiet street only a slow stroll from the town center, beaches, creek, eateries and hotel, this is a prime opportunity to invest.

All you need to do is roll up your sleeves, kick start your imagination and get on with your renos.
