

7 Emanuel Crescent, South West Rocks

GREAT LOCATION

This character filled home is in one of South West Rocks most tightly held areas.

sitting on a great 560m2 block with a Northerly aspect and elevation, this home has plenty of scope to personalize.

The home has loads of street presence and only minutes to the beaches, cafes, country club and town center.

The floor plan is open and spacious, has 3 bedrooms, kitchen, lounge and dining areas, a sunroom that overlooks a great back yard.

This is the one that with a little imagination and hard work, you will definitely reap the rewards.
