

9 Roy Sanders Street, South West Rocks

ROY SANDERS STREET

Roy Sanders Street, is one of the best kept secrets in South West Rocks and homes like number 9 are becoming increasingly harder to find.

The residence is on a large level block that offers a great northerly aspect which guarantees the yard and sunroom are bathed in sunlight, the vegie gardens flourish, the flower beds thrive and your clothes on the line definitely get dry.

The home, is all on one level, is set up for anyone that needs a little mobility support with ramps and support aids already in place.

Comfort is assured in the spacious 3 bedroom home with a free flowing floor plan, well appointed kitchen, large lounge and living areas and an enormous entertaining area and sunroom.

There is no doubt that the location is a great asset being in a quiet cul-de-sac in a very undiscovered part of town just a short level walk to the town center, beaches and the best the Rocks can offer.
