

South West Rocks, 93 Gregory Street

THIS HAS TO BE SEEN TO BE APPRECIATED

Tucked away in the heart of South West Rocks is this home that is beyond compare, absolutely magnificent.

From the moment you enter the front door the home has a charm and ambience and radiates a warm comfortable feeling.

The polished timber floors usher you through the hall way, past the lounge and living room and onto the stunning kitchen, dining and rumpus then onto the spacious entertaining and barbeque area that overlooks the pool.

There is absolutely nothing out of place nor anything to do in the bedrooms, 2 bathrooms, living or lounge areas.

the single garage is attached to the home while another great shed is a real surprise in the backyard and is strategically positioned for extra storage space and a workshop.
