A Once-in-Generations Opportunity —First Time Offered in Over 120 Years

Steeped in local history and offered to the market for the very first time, this remarkable hinterland property has been held by the same family for over 120 years, dating back to the earliest establishment of Springbrook. Occupying an elevated and private 8,996m² parcel surrounded by lush rainforest, this is a rare opportunity to secure a significant piece of the mountain's heritage.

Positioned amongst established native vegetation and enjoying partial views towards the Gold Coast, the property offers an idyllic natural setting and tranquillity at the end of the cul de sac. The home itself provides a generous footprint, featuring four bedrooms, a central bathroom, separate toilet, dedicated laundry, a large kitchen and a spacious lounge complete with a fireplace for year-round comfort.

Large windows and the elevated aspect allow natural light to filter through the home while capturing glimpses of the surrounding forest and distant coastal outlook. The substantial landholding provides endless potential for those seeking space, privacy and the chance to create something truly special.
