endless options to suit your changing needs.

The heart of the home is the beautifully presented open plan kitchen, dining and living area, where the newly updated hybrid flooring, soaring skylights and expansive windows create a warm and light-filled atmosphere. The well-appointed kitchen features a large island bench, gas cooking and excellent storage, making it the perfect space for entertaining family and friends. Sliding doors open from the main living area onto a covered alfresco, creating the perfect indoor-outdoor living space for relaxed entertaining, enjoying your morning coffee or taking in the peaceful Springbrook surrounds. A cosy combustion fireplace adds warmth and ambience during the cooler months, while split system air conditioning ensures comfort throughout the year.

With three separate living zones throughout the home, there is space for everyone to enjoy their own retreat whether it's family movie nights, a children's area, a home office or simply a quiet place to unwind.

Privately positioned, the spacious master suite features a walk-through robe and stylish renovated ensuite, while the remaining bedrooms are generously sized and serviced by two additional renovated bathrooms.

Outside, the property continues to impress with established gardens, a fully fenced 1,017 sqm block and plenty of room to enjoy the relaxed Springbrook lifestyle. Practical additions include a large workshop, double carport, 6.5kW solar system, three-phase power, generator connection and a large concrete water tank.

For those looking to embrace a more self-sufficient lifestyle, the resident chickens can even remain with the property, providing fresh eggs for the lucky new owners.
