floor plan perfectly complements the home's low-maintenance facade. The front of the home hosts a dedicated lounge room, providing a peaceful secondary space for parents to unwind or kids to watch their favourite movies away from the main hub.

Further inside, the home opens into a spacious, air-conditioned family and dining domain. This central zone is designed for seamless daily interaction, anchored by a practical kitchen equipped with ample bench space, plenty of cabinetry, and essential modern conveniences including a dishwasher.

If you're keen to entertain outdoors, the open-plan area extends effortlessly onto a covered alfresco patio. There is ample room here for a large dining setting or a weekend BBQ setup, all while overlooking a fully fenced yard with a lush patch of lawn ideal for children's play equipment or pets.

The accommodation wing is thoughtfully zoned for privacy. The master bedroom serves as a quiet retreat complete with its own private ensuite, privately positioned away from the remaining bedrooms, while the other three bedrooms are serviced by a well-appointed main bathroom and a separate toilet. A secure double garage completes the layout, offering plenty of room for vehicles and extra storage.

With wide streets, a friendly neighbourhood feel, and everything close at hand, it's easy to see why so many families love calling this scenic pocket of Springfield Lakes home. Positioned on sought-after Coventina Crescent, you are within easy strolling distance to local playgrounds, parks, and beautiful walking and cycling paths that weave through the suburb's green spaces.

A short drive and you reach the massive Orion Springfield Central shopping and dining precinct, Orion Lagoon, Robelle Domain Parklands, and the Mater Public and Private Hospital. Commuting is equally simple, with quick access to Springfield Central Train Station and the Centenary Motorway for an easy connection to Brisbane and Ipswich.
