4. Flexible floorplan with multiple living zones and dedicated home office.
5. Fully fenced 789m2 block offering privacy, space, and incredible outdoor living.

From the moment you arrive, there's an unmistakable sense of openness here. The long driveway, generous front lawn, established surroundings, and wide spacing between homes immediately create a feeling that's becoming harder and harder to find.

Inside, the home feels instantly inviting - bright natural light, crisp freshly painted interiors, and beautiful real wood and timber-look flooring combine to create a relaxed warm feeling throughout. The multiple living spaces give families the freedom to spread out, come together, and enjoy everyday living without stepping on each other's toes.

The modern kitchen sits at the heart of the ground floor - open, practical, welcoming, and perfectly positioned to stay connected to everything happening around it. Whether it's busy weekday breakfasts, kids doing homework nearby, or hosting friends on a Saturday afternoon, this space is surrounded by living, dining and family areas that sprawl out to the rear deck.

And that brings us to the outdoor entertaining area... where the soul of the home comes alive.

The covered timber deck and shaded BBQ area feel like an extension of the home itself - private, relaxed, and ready for every occasion. Picture summer dinners outdoors, milestone birthdays, lazy Sunday afternoons watching the kids kick a ball across the backyard, or simply enjoying the peace and privacy with a coffee in hand.

Homes with outdoor spaces like this are becoming harder to find.

The oversized rear garage and workshop add to the appeal, offering endless possibilities for tradies, hobbyists, extra storage, home projects, or future ideas down the track may be a Granny Flat (STCA). It's the sort of bonus space buyers are constantly searching for but seldom find.

Upstairs, the remaining 3 bedrooms offer excellent separation and comfort, while the master suite downstairs enjoys its own ensuite and peaceful outlook over the yard. Every part of the home feels well cared for, practical, and genuinely ready to move straight into without needing to lift a finger.

Additional features include:

- ? Split system air conditioning
- ? Solar power hot water
- ? Crimsafe security screens throughout
