And yes, even the laundry is impressive - decked out with sleek white cabinetry, tiled splashbacks, and generous bench space because style and practicality go hand in hand here.

The three generously sized bedrooms are true retreats, offering space, serenity, and plenty of natural light. Meanwhile, the luxurious bathroom is all about indulgence, featuring porcelain-topped vanities and a frameless shower scree - your very own private sanctuary.

Step outside, and you'll discover an outdoor oasis that's perfect for every season. The undercover decked alfresco area, complete with an outdoor kitchen and automatic roller blinds, is ideal for lazy summer afternoons and starlit dinner parties.

And let's talk about the generous front yard - a dream playground for the kids, the perfect spot for a trampoline, or even room for a small above-ground pool.

This home is smartly insulated for year-round comfort and comes with an outdoor store room, ideal as a workshop or a clutter-free storage solution for all those "once-a-year" items like suitcases and Christmas decorations.

Location? It couldn't be better! Surrounded by lush parks, a short stroll to Millen Primary School, local IGA X-press, medical facilities and bus stops - everything you need is right at your doorstep. Plus, Curtin University & Waterford Plaza Shopping Centre are just a quick trip away.

And that's not the end of the story...
