

33 Landscape Street, Stafford Heights

Lush, North-Facing Outlook Underpinned by 663sqm.

Sitting elevated in a quiet location, the centrepiece of this property is the fully covered, north-facing timber deck. With an angled ceiling soaring overhead, this space's atmosphere will enhance many family memories and summer BBQs. There is then a line of sight that extends to the rear of the block, and showcases the lovely lush outlook that accompanies the home. This private al fresco perfectly leads to the large, low-maintenance backyard, with a 663sqm block underpinning the property.

Inside, two functional and fully renovated bathrooms are a great offering. The main bathroom has a separate bath and shower - perfect for families. A convenient storage nook in both the shower and bath are great touches. Polished hardwood floors guide you through the large primary living and dining area, with lovely light emanating in from the north/south orientation. A warm and homely atmosphere is on offer, your private sanctuary tucked away in a convenient position.

Features include but not limited to:

- Large 663sqm block.
- North-facing, rear timber deck; awesome al fresco space.
- Lush outlook and low-maintenance backyard.
