

76 Reuben Street, Stafford

HIGH QUALITY NEW BUILD!

This brand-new residence by Leading Edge Constructions delivers an exceptional level of finish and scale, combining strong architectural detail with a practical family layout in one of Stafford's most desirable pockets.

From the moment you step inside, the home establishes a clear sense of quality. Half-height VJ panelling lines the entry hallway, continuing through the staircase landing and upstairs living zone, creating a consistent design language across both levels. These details work alongside generous proportions to give the home a presence that immediately sets it apart from the typical offering found in Brisbane's north.

At the center of the home, the main living, dining, and kitchen zone forms a true family hub. A striking 3.74m ceiling height enhances the sense of openness and natural light, and custom shelving and cabinetry integrated throughout the main living area further enhance both storage and presentation. The kitchen has been designed with both everyday functionality and entertaining in mind. Featuring an oversized island bench, extensive cabinetry, quality appliances, and a separate butler's pantry, the space anchors the home with both practicality and visual impact.

Large sliding doors extend the living area directly to the covered alfresco, complete with a built-in BBQ and bar fridge, creating a seamless connection between indoor and outdoor entertaining. Overlooking the in-ground pool and level backyard, this space is well suited to both relaxed weekends and larger gatherings.

The floor plan has been carefully considered for modern family living, with five bedrooms positioned across two levels. A ground-floor bedroom sits alongside a full bathroom, providing excellent separation for guests, extended family, or a dedicated work-from-home option. Upstairs, a second living area connects four additional bedrooms, is complemented by a custom-built dry bar with additional cabinetry, creating a highly functional retreat space for families requiring multiple living zones.

The primary suite is privately positioned and includes a walk-in robe and a beautifully finished ensuite with floor-to-ceiling tiles and quality fixtures and fittings, completing a well-balanced upper level designed for both comfort and practicality.
