

Stieglitz, 17 Parnella Drive

Ready for Summer

In its sunny location, with views to the ocean and bay, 17 Parnella Drive may be just the home you've been waiting for. With its recent fresh coat of paint, and immaculate presentation, this is an affordable home with everything you need. As a bonus, the vendor has offered for most of the furniture to be included if you wish.

Two of the bedrooms have built-in robes, while the master has an ensuite. The generous lounge area flows into the dining area and into the spacious kitchen. The home's sunny aspect has views of the ocean and lends itself to extending the balcony to north-east end of the home for an all-day sunny outdoor living area, which will capture bay views as well.

There is a 6x6m garage with roller doors, and a 5x6m shed (with full services) that is lined and could be used as a rumpus room or studio. There is also a 3x3m garden shed to top off the wish list. There is plenty of room under the home for storage, and the fully fenced garden has a selection of natives and ornamentals, and a prolific lemon tree.
