SOLD OFF MARKET - "QUIET SALE" BIG RESULT

Located in the heart of the Golden Mile, this home on approx. 599sqm has SOLD OFF MARKET for a great price, without the fuss and marketing costs.

A very happy vendor and purchaser who were both able to secure their dream deal with minimum fuss.

The lack of stock in the real estate market drives buyers and sellers to seek new ways of securing their dream deal behind closed doors, with terms that favour all parties. With up to date advanced technology, we are "better connected" to buyers than ever before.
