creating a valuable understairs storage nook.

The multiple living spaces are all at ground level and the well-equipped kitchen (2 pantries, island prep station, electric cooktop & dishwasher) is the anchor point connecting them all. For formal gatherings there's a carpeted lounge with a cosy fireplace beside a dedicated dining room, while the tiled combined family room/casual meals area leads into a massive rumpus with a built-in bar.

- season outdoor entertaining can take place on the sweeping alfresco patio overlooking the gorgeous pool and its rock waterfall. There's an incredible amount of space to play with here and a bespoke arched glass ceiling provides a novel way of taking in Brisbane's stunning skies year-round.

Of the 6 bedrooms, the master is the standout in size and amenity - its WIR huge, and the ensuite equipped with a twin vanity, shower and a big step-up bathtub. The other 4 rooms on the top floor share a bathroom (shower & tub), with a huge walk-in linen room central to all.

The 6th bedroom sits off the front entry and could be used as a study, the ground floor also accommodating a second big linen closet, a 3rd bathroom (shower), and the laundry. The triple garage has remote-controlled roller doors, its own storage, 2 house entries and backyard access.

From this prestigious home, it's an easy stroll to several parks/playgrounds and bus stops to get about Brisbane, and a short drive up to Calamvale Central/Sunnybank Hills Shoppingtown and the onramp to the Gateway Motorway.

Proof that big can definitely be best - this beautiful home will be impossible to resist!
