A Backyard That Sets This Home Apart

For families with young children, the expansive lawn is truly priceless-- a safe, private space where kids can run and play freely. From the kitchen or the impressive insulated patio, you can comfortably supervise outdoor fun or host gatherings year-round in comfort, protected from Queensland's summer heat.

Fruit trees add further charm and functionality to this impressive outdoor space, making it feel more like a house than a townhouse.

Comfortable & Light-Filled Interiors

Inside, the home feels bright and welcoming. The exposed brick feature wall adds warmth and character to the air-conditioned living and dining areas, complemented by modern timber-look flooring. Tiled wet areas ensure practicality, while a solid timber balustrade staircase leads to the upper-level accommodation.

The master bedroom enjoys its own balcony outlook, while the remaining bedrooms are positioned privately at the rear, serviced by a central bathroom complete with shower, bathtub, vanity and toilet.

Lifestyle & Location

Convenience completes the picture. The property is within easy walking distance to:
