Arriving at the oversized statement entry, the home immediately establishes a sense of grandeur. Towering ceilings, full-height sheer curtains, immense stone flooring and an exquisite chandelier suspended above the central void create a breathtaking first impression, while the striking stone feature wall and custom timber joinery add warmth and architectural depth throughout.

Designed for effortless entertaining on any scale, the main living domain flows seamlessly through expansive open-plan interiors anchored by a spectacular chef's kitchen. Finished in a sophisticated palette of stone, timber and matte black cabinetry, this space features a substantial island bench, extensive integrated storage, premium built-in appliances and elegant lighting detail. Adjoining the kitchen, the oversized dining zone enjoys beautiful natural light and tranquil outlooks across the poolside area.

A fully appointed second kitchen offers exceptional flexibility, complete with additional built-in appliances and private preparation space behind sliding doors - ideal for catering, specialty cooking or keeping the main kitchen pristine during larger gatherings. Nearby, a beautifully appointed tea and meals room creates the perfect setting for relaxed breakfasts, evening wine or intimate conversations away from the main entertaining zones.

The beautiful outdoor setting has been thoughtfully designed to complement the home's luxurious interiors. Sliding glass doors connect effortlessly to the covered alfresco terrace, while the sleek inground lap pool creates a stunning visual centrepiece framed by clean architectural lines and low-maintenance surrounds.

Accommodation is equally impressive. Upstairs, four oversized ensuite bedrooms provide exceptional comfort and privacy, each appointed with premium finishes, walk-in or built-in storage, and beautifully designed bathrooms featuring full-height tiling, floating vanities, standalone tubs, frameless glass showers and sophisticated lighting. The lavish master suite elevates luxury even further with its immense proportions, designer walk-in dressing room, private sitting area and opulent hotel-inspired ensuite complete with freestanding bath and double rainfall showers.

Adding even greater versatility, the upper level also features a vast open retreat overlooking the dramatic void below - an ideal second lounge, executive study space, family retreat or quiet relaxation zone.
