and architectural flair.

Towering voids, oversized windows, and a stylish neutral palette set the scene, while large tiles and sleek finishes create a seamless sense of sophistication throughout. Entertain in style from your multiple living zones, each crafted to host everything from intimate dinners to lavish celebrations, complete with a stone-topped wet bar perfect for cocktails and celebrations.

At the heart of the home, the fully renovated designer kitchen is a true statement piece. With its floating island bench, gleaming stone benchtops, and rich custom cabinetry, it's a space where form meets function. A huge chef's gas stove, gooseneck mixer, dishwasher and clever servery to the outdoor area ensure this kitchen performs as beautifully as it looks.

From the indoor dining and meals areas, glass sliders open to a generous paved alfresco - ideal for year-round entertaining. The low-maintenance yard beyond is fully fenced and private, offering space for future enhancements like a pool, granny flat, or extension (STCA), while the existing lush lawns and hedges provide a tranquil backdrop.

Accommodation is equally impressive. Upstairs, three of the four bedrooms boast private ensuites - making this ideal for multigenerational living, families with teens, or guest privacy. The master suite is palatial, complete with spa-style ensuite, walk-in robe, and built-ins. A fourth bedroom is thoughtfully placed on the lower level - perfect for guests or a home office - with an additional shared bathroom nearby.
