

27 Pacific Road, Surf Beach

TICKS A LOT OF THE BOXES.

Entry level price point, tick.
Level, easy-to-maintain block, tick.
Single-level home in a great location, tick.

Sitting on an almost level 560sqm block is this tidy brick veneer and tile home, offering an easy single-level layout with plenty of potential.

There are three bedrooms, all with BIRs, along with two separate living areas that give you some welcome separation and flexibility. The bathroom has a separate W/C, and while a little bit of work would really bring out the home's full potential, it is comfortable and ready to use in its current condition.

For investors, there is a current tenant on a month-by-month lease who would be happy to stay on if your situation suited that. Alternatively, the property can be offered with vacant possession if required.

The separate garage is accessed via the side of the home and, being longer than normal, provides some extra room for a workspace, storage or tinkering area.

Location is another big tick. Surf Beach shops and the summer-
