

102 Jacobs Drive, Sussex Inlet

Waterfront Opportunity with Huge Potential

Positioned in a convenient waterfront location just moments from the town centre, this four-bedroom home offers an exciting opportunity for buyers ready to roll up their sleeves and create something special.

Set on a generous block with excellent side access, the property provides plenty of space for boats, caravans, or future improvements. The home itself is in very original condition and requires a full renovation, with the kitchen already removed, making it a true blank canvas for those looking to rebuild, renovate, or invest in a prime waterfront position.

Whether you're chasing a project, an investment, or the chance to design your own waterfront retreat, this is a rare opportunity to secure a well-located property with loads of potential.
