Tranquil Oasis

Nestled in a leafy pocket of South Sussex is this single-level brick veneer, master-built home. Backing on to a bushy aspect, your daily soundtrack will be filled with the sounds of native wildlife.

The thoughtfully designed floor plan offers both space and versatility. The heart of the home is the family room where the feature spinner fireplace adds warmth and character, while a reverse cycle split-system air conditioner ensures year-round comfort. This space flows into the dining room and galley kitchen featuring a dishwasher and ample storage. For those who are looking for space to spread out, the home boasts a second lounge room and a formal dining area with a charming bay window.

With four bedrooms, all with built-in robes. The main bedroom is a true retreat, complete with an ensuite, ceiling fan, and a large bay window framing views of the front gardens. Outside, the bushy backdrop provides a peaceful and private oasis while the large double garage has drive through-access on one side.

This home is perfect for families, investors or anyone seeking an unhurried lifestyle.
