

4/284 River Road, Sussex Inlet

Holiday by the Water

In highset position, this modern cabin enjoys a leafy outlook with views over the sparkling waterways of Sussex Inlet.

Set within a quiet, small strata subdivision of just four cabins alongside the main residence, you will find a sense of space, privacy and security. Plenty of off-street parking adds to the ease for owners and guests alike.

The cabin is modern and low-maintenance, offering two bedrooms, a bathroom, european-style laundry and a light-filled open plan kitchen, living and dining area. This space flows onto a covered deck, perfectly positioned to relax, entertain and take in the leafy surrounds and water views.

Outdoors, the yard has been thoughtfully retained and fully fenced, with a private staircase leading directly to the reserve and waterfront, a standout feature for holidaymakers seeking easy access to nature, kayaking and waterfront walks. Pets are permitted, and the owner is prepared to sell fully furnished, further enhancing its appeal in the short-term rental market.

Whether you're searching for a stress-free holiday base or a ready-made Airbnb opportunity, this cabin makes owning in Sussex Inlet easy.
