

Swan Hill, 18 Mundle Avenue

Rare Renovator/Redeveloper Opportunity

Located close to the central residential area, this rare opportunity for first home buyers, renovators, flippers or builder/developers presents during a time of great shortage of affordable housing.

It should be of particular interest to those with vision, trade skills and work capacity, or even to those seeking a large home site in a settled neighbourhood close to the CBD, local shops and schools.

If you're looking for a project to build your financial base, or just a low-cost entry into the home market, call us today.
