enhancing yield, design flexibility and overall project feasibility.

Tahmoor Town Centre is the largest commercial hub in the Wollondilly region, offering a strong mix of national retailers and essential services including Woolworths, Aldi, cafes, medical centres, dentists and chemists. The area is well supported by education infrastructure, including Tahmoor Public School and Picton High School, which has recently benefited from a \$100 million upgrade—a key driver of ongoing population growth and buyer demand.

This is a rare opportunity to secure a well-located, income-generating development site in a tightly held area experiencing continued infrastructure investment and strong capital growth prospects.

Price is for both blocks, totalling 2000m2.
