Unbeatable location

For investors, the combination of a new build, low-maintenance design and exceptional proximity to shopping and public transport provides the fundamentals for strong long-term tenant appeal and future capital growth potential.

For first-home buyers, this is an opportunity to enter the market with a brand-new home without compromising on location. For downsizers, the ability to walk to shops, services and transport makes day-to-day living exceptionally convenient.

Whether purchasing as your own home, an investment or through a self-managed super fund subject to your financial and legal advice, these townhouses offer an attractive combination of quality, convenience and long-term potential.
