Adding further comfort and functionality are the wood burning fireplace, gas hot water system, security screens throughout and an iron roof with large capacity guttering.

Outdoors, the property continues to impress with established raised gardens, fruit trees, dog proof fencing, two dams, five rainwater tanks and excellent shedding.

The substantial lockable sheds and carports provide outstanding storage and workspace options for machinery, vehicles, hobbies or home business use.

With solar power and battery storage already in place, this is the ideal opportunity to embrace a sustainable lifestyle without compromising comfort or convenience.
