

27 Romberg Way, Taylor

Designed for Growing Families, Built for Modern Living

Built with modern family living in mind, this impressive home offers flexibility, space, and comfort for growing families, or those seeking a dedicated work-from-home setup. Thoughtfully designed with quality inclusions throughout, this home provides multiple living zones and a practical layout that effortlessly adapts to your lifestyle.

The heart of the home features a spacious family, dining, and kitchen area, complemented by a separate lounge and study. The modern kitchen is perfect for everyday living and entertaining. Accommodation is generous, with two master suites featuring private ensuites, one with a walk-in robe, while bedrooms two, three, and four all include built-in robes. The versatile fifth bedroom offers flexibility as a guest room, single bedroom, or second home office.

The main bathroom includes a relaxing spa bath, with a separate toilet and dedicated laundry adding further convenience. Year-round comfort is assured with ducted reverse cycle air conditioning. Outside, the established low-maintenance gardens create a private and enjoyable setting, with additional space along the side of the home for trailer storage. The double garage features a remote-controlled door, internal access, and built-in storage for added practicality.
