

53 Wentworth Street, Telarah

A Smart Start!

Set within the ever-evolving and tightly held pocket of Telarah, a suburb that continues to gain traction across first home buyers, investors and downsizers alike - this walk up start suits for all!

Warm and inviting from the outset, the home welcomes you with rich cypress pine flooring underfoot and a functional, easy-flow layout designed for everyday living. A well-proportioned lounge room sits to the right of entry, enhanced by decorative cornices that nod to its era, while a versatile study to the left offers the flexibility of a home office or an easy conversion into a third bedroom as needs evolve.

At the heart of the home, a neat and practical kitchen and dining zone provides a comfortable space to gather, seamlessly connecting through to a cleverly designed laundry that maximises usability without compromising space. The centrally positioned bathroom caters to convenience, complete with a shower, bathtub and single vanity.

The bedrooms are well proportioned with a generously sized master bedroom featuring ceiling fan comfort and excellent built-in storage, while the second bedroom is equally inviting, offering a double built-in robe and the third bedroom easily achieved if required.

Outdoors, the appeal continues with a tidy, secure yard framed by a durable Colourbond fencing, providing both privacy and peace of mind. A solid slab hints at future possibilities for additional parking, shedding or even an outdoor entertaining space, while the existing driveway comfortably accommodates two vehicles.

Holding strong foundations and brimming with opportunity, this is a property that invites you to move straight in, invest with confidence, or enhance over time and truly make it your own-an increasingly rare find in one of the region's most active and accessible markets.
