

6 Russell Street, Telarah

Picture Perfect, Snap This One Up!!

As pretty as a picture, and setting the bar from the onset —you step through the front gate and onto the sun-drenched, north-facing verandah, and you're immediately welcomed by the warmth and charm this home so effortlessly delivers. Inside, hallmarks of a bygone era sing with original character details thoughtfully added upon & retained throughout.

The front lounge room is inviting and spacious, anchored by a combustion fireplace —just perfect for the cool winter evenings, or the creature comforts of the ducted AC is in place for your everyday living. Attached to this space is the dining room, that joins a dropdown landing deck space. The kitchen is a standout & chefs haven, you'll find stone benchtops, stainless steel appliances, a gas cooktop, and a walk-in pantry. For increased practicality, the laundry is Euro style, and works really well in this space, with the custom cabinetry doubling this as the coffee corner. The kitchen then spills out through sliding glass and to the elevated rear deck that peeks out over the landscaped yard. We know this spot is going to quickly become your favourite, the quintessential space for entertaining, cocktail hour, and chilled BBQs when the Spring months soon catch up.
