## Prime Terrigal Development Opportunity —Subdivide, Develop or Invest

Positioned in the heart of Terrigal, this exceptional property presents a rare and highly flexible opportunity for developers, investors or savvy buyers looking to secure a foothold in one of the Central Coast's most sought-after locations.

Set on a generous parcel with strong subdivision potential (STCA), the site offers scope to create two separate 550sqm lots, each capable of accommodating a duplex development or freestanding homes. Whether you're looking to maximise returns with multiple dwellings or build premium residences in a blue-chip coastal setting, the possibilities here are significant.

Adding immediate value is the existing home —providing the option to generate rental income while you plan your development and navigate council approvals. This holding income makes it an ideal project for those looking to stage their investment without sacrificing cash flow.

Located just moments from Terrigal Beach, cafés, schools and lifestyle amenities, this is a standout opportunity to capitalise on
