designed for everyday family life as well as effortless entertaining. Natural light flows through the home, connecting living spaces to the outdoors and creating a warm, inviting atmosphere throughout. A large rumpus room provides yet another area for relaxation, multi-generational living, recreation or entertaining, while ducted heating and cooling ensure year-round comfort. Six bedrooms and three bathrooms offer exceptional flexibility, making the home ideal for large families.

LIVE.

Stepping outside, the scale of the property truly reveals itself. The vast backyard offers a rare sense of freedom, a place where children can play, families can gather, and future possibilities can unfold. A sparkling swimming pool becomes the centrepiece for long summer afternoons, while the surrounding greenery and mountain backdrop create a peaceful and private setting.

A double garage, substantial under-house storage, and the immense block size provide both functionality and future potential, whether for growing families, hobbies, or simply enjoying the luxury of space. Spacious, scenic and filled with natural light, this is more than just a house. It is a home designed to support every stage of family life, offering room to grow, gather and create lasting memories.
