

12 Chevalier Way, Thornlie

Pristine Presentation, Exceptional Living

It is rare to find a home that has been maintained to such a high standard. Beautifully presented with manicured gardens, light-filled interiors and a welcoming homely feel, you will feel at ease the moment you step inside.

The well-appointed kitchen offers ample bench and cupboard space and overlooks the meals area - the central hub of the home. Flow through to your choice of two separate living zones, including a spacious lounge room for peaceful relaxation, or a versatile games room featuring a substantial gas heater and secure internal entry from the garage.

The master bedroom is generous in size with built-in robes, while the minor bedrooms also offer excellent space. The updated bathroom impresses with a double vanity, modern tiles and a sleek contemporary finish.

Additional features include extra cabinetry to the laundry, ducted evaporative air-conditioning, gas instantaneous hot water system, security screens and skylights for added natural light.
